[linkedin.com/in/liteshghute](https://www.linkedin.com/in/liteshghute)

## Summary

Litesh is very enthusiastic and believes in constant learning. He is very good at programming and knows various technologies. He is proficient in python programming language (his favorite ♥) and can also code in other programming languages like C, C++, Java, JavaScript, PHP, Kotlin and Matlab. He knows Web Development as well as Android App Development. He also knows various web frameworks like Django, Flask and Laravel. He has developed some games on Unity 2D/3D game engine. Apart from it, he is very good at Competitive Coding. In his free time, he loves to listen to the music and learn new stuff on YouTube.
